1. Where, as a result of the reduction or elimination of a customs duty under this Agreement, any originating good of a Party is being imported into the territory of the other Party in such increased quantities, in absolute terms or relative to domestic production, and under such conditions as to constitute a substantial cause of serious injury or threat thereof to the domestic industry producing like or directly competitive goods in the territory of the

importing Party, the importing Party may apply a bilateral safeguard measure during the transition period for that good to the extent necessary to remedy or prevent the serious injury or threat thereof, subject to the provisions of this Article.

2. A bilateral safeguard measure shall only be applied upon demonstrating clear evidence that increased imports constitute a substantial cause of or are threatening to cause serious injury.
3. The Party intending to apply a bilateral safeguard measure under this Article shall promptly, and in any case before applying a measure, notify the other Party and the Joint Committee. The notification shall contain all pertinent information, which shall include evidence of serious injury or threat thereof caused by increased imports, a precise description of the good concerned and the proposed measure, as well as the proposed date of introduction, expected duration and timetable for the progressive removal of the measure if relevant.
4. The Party that may be affected by the measure shall be offered compensation in the form of substantially equivalent trade liberalisation in relation to the imports from such Party. The Party shall, within 30 days from the date of notification referred to in paragraph 3 of this Article, examine the information provided in order to facilitate a mutually acceptable resolution of the matter. In the absence of such resolution, the importing Party may apply a bilateral safeguard measure to resolve the problem, and, in the absence of mutually agreed compensation, the Party against whose good the bilateral safeguard measure is applied may take compensatory action. The bilateral safeguard measure and the compensatory action shall be promptly notified to the other Party. The compensatory action shall normally consist of suspension of concessions having substantially equivalent trade effects and/or concessions substantially equivalent to the value of the additional duties expected to result from the bilateral safeguard measure. Compensatory action shall be taken only for the minimum period necessary to achieve the substantially equivalent trade effects and in any event, only while the bilateral safeguard measure under paragraph 5 of this Article is being applied.
5. If the conditions set out in paragraph 1 of this Article are met, the importing Party may apply a bilateral safeguard measure in the form of:

 - a) in the case of a good for which the customs duty reaches the final reduction rate within three years from the date of entry into force of this Agreement, a Party may apply a bilateral safeguard measure for a period of time not exceeding two years. A Party shall not apply a bilateral safeguard measure again on the same good during the one-year period after the expiration of the previous bilateral safeguard measure. Any bilateral safeguard measure shall not be applied more than twice to the same good.
 - b) in the case of a good for which the customs duty reaches the final reduction rate after three years from the date of entry into force of this Agreement, a Party may apply a bilateral safeguard measure for a period of time not exceeding two years. The period

of application of a bilateral safeguard measure may be extended by up to one year if there is evidence that it is necessary to remedy or prevent serious injury or threat thereof and that the industry is adjusting. A Party shall not apply a bilateral safeguard measure again on the same good for the period of time equal to that during which such measure had been previously applied. Any bilateral safeguard measure shall not be applied more than twice to the same good.

7. Upon the termination of the bilateral safeguard measure, the rate of customs duty shall be the rate, which would have been in effect on the date of termination of the measure.
8. Neither Party may apply, with respect to the same good, at the same time:
 - a) a bilateral safeguard measure; and
 - b) a measure under Article XIX of GATT 1994 and the Agreement on Safeguards, in Annex 1A to the WTO Agreement.
9. Domestic industry referred to in paragraph 1 of this Article means the producers as a whole of the like or directly competitive goods operating within the territory of a Party or those producers whose collective production of the like or directly competitive goods constitutes a major proportion but not less than 25 percent of the total domestic production of such good.
10. Transition period referred to in paragraph 1 of this Article in relation to particular goods subject to a bilateral safeguard measure, means:
 - a) the period of time from the date of entry into force of this Agreement until seven years from the date of completion of the customs duty elimination or reduction in the case of a good for which the customs duty reaches the final reduction rate within three years from the date of entry into force of this Agreement;
 - b) the period of time from the date of entry into force of this Agreement until five years from the date of completion of the customs duty elimination or reduction in the case of a good for which the customs duty reaches the final reduction rate after three years, but only up to five years from the date of entry into force of this Agreement; and
 - c) the period of time from the date of entry into force of this Agreement until three years from the date of completion of the customs duty elimination or reduction in the case of a good for which the customs duty reaches the final reduction rate after five years from the date of entry into force of this Agreement.

All official communications and documentation exchanged between the Parties with respect to matters covered by this Chapter shall take place between the relevant authorities having the legal power to initiate and conduct investigations under this Chapter (hereinafter referred to as “the investigating authorities”). In case Viet Nam intends to apply a measure under this

Chapter, the other Party may designate a different responsible authority and shall notify Viet Nam of its designation.

In this case, the date and number of such Certificate of Origin shall be specified in the customs declaration. Where the customs authorities of the importing Party have a reasonable doubt as to the origin of the goods for which preferential tariff treatment is claimed and/or there is a discrepancy with the information containing in the EOCVS, the customs authorities of the importing Party may require the submission of the original Certificate of Origin.

ARTICLE 4.17

Circumstances When Certificate of Origin Is Not Required

ARTICLE 4.19

Minor Discrepancies

1. Where the origin of the goods is not in doubt, the discovery of minor discrepancies between the information in the Certificate of Origin and in the documents submitted to the customs authorities of the importing Party shall not, of themselves, invalidate the Certificate of Origin, if such information in fact corresponds to the goods submitted.
2. For multiple goods declared under the same Certificate of Origin, a problem encountered with one of the goods listed shall not affect or delay the granting of preferential tariff treatment for the remaining goods covered by the Certificate of Origin.

ARTICLE 4.20

Specific Cases of Issuance of Certificate of Origin

Such Certificate of Origin shall be valid no longer than 12 months from the date of issuance of the original Certificate of Origin.

ARTICLE 4.21

Alterations in Certificate of Origin

Notwithstanding paragraph 2 of this Article, where the customs authorities of the importing Party have a reasonable doubt as to the origin of the goods for which preferential tariff treatment is claimed and/or to the authenticity of the submitted Certificate of Origin, such customs authorities may suspend or deny the application of preferential tariff treatment to such goods. However, the goods can be released in accordance with the requirements of such Party's respective domestic laws and regulations.

3. Where the importing Party determines through verification procedures that an exporter or producer of the goods has engaged in providing false and/or incomplete information for the purposes of obtaining Certificates of Origin, customs authorities of the importing Party may deny preferential tariff treatment to identical goods covered by the Certificates of Origin issued to that exporter or producer in accordance with its respective domestic laws and regulations.
4. In cases as set out in subparagraph b) of paragraph 2 of this Article and paragraph 1 of Article 4.25 of this Agreement customs authorities of the importing Party are not required to make a verification request, as provided for in Article 4.30 of this Agreement, to the authorised body for the purposes of making decisions on denial of preferential tariff treatment.

If the work of the Arbitral Panel has been suspended for more than 12 consecutive months, the Arbitral Panel shall be terminated. The authority for establishment of a new Arbitral Panel by the original disputing Parties on the same matter referred to in the request for the establishment of the original Arbitral Panel shall lapse unless the disputing Parties agree otherwise.

2. The Arbitral Panel shall issue its initial report within 90 days, or 60 days in cases of urgency, including those concerning perishable goods, from the date of establishment of the Arbitral Panel. The initial report shall contain, *inter alia*, both the descriptive sections and the Arbitral Panel's findings and conclusions.
3. In exceptional circumstances, if the Arbitral Panel considers it cannot issue its initial report within the periods of time specified in paragraph 2 of this Article, it shall inform the disputing Parties in writing of the reasons for the delay together with an estimate of the period within which it will issue its initial report. Any delay shall not exceed a further period of 30 days unless the disputing Parties agree otherwise.
4. A disputing Party may submit written comments on the initial report to the Arbitral Panel within 15 days of receiving the initial report unless the disputing Parties agree otherwise.
5. After considering any written comment by the disputing Parties and making any further examination it considers necessary, the Arbitral Panel shall present to the disputing Parties its final report within 30 days of issuance of the initial report, unless the disputing Parties agree otherwise.
6. If in its final report, the Arbitral Panel finds that a disputing Party's measure does not conform with this Agreement, it shall include in its findings and rulings a requirement to remove the non-conformity.
7. The disputing Parties shall release the final report of the Arbitral Panel as a public document within 15 days from the date of its issuance, subject to the protection of confidential information, unless any disputing Party objects. In this case the final report shall still be released for all Parties to the Agreement.

8. The final report of the Arbitral Panel shall be final and binding for the disputing Parties with regard to a particular dispute.

ARTICLE 14.14

Implementation

1. The disputing Parties shall immediately comply with the rulings of the Arbitral Panel. Where it is not practicable to comply immediately, the disputing Parties shall comply with the rulings within a reasonable period of time. The reasonable period of time shall be mutually determined by the disputing Parties. Where the disputing Parties fail to agree on the reasonable period of time within 45 days of the issuance of the Arbitral Panel's final report, either disputing Party may refer the matter to the original Arbitral Panel, which shall determine the reasonable period of time after consulting with the disputing Parties.
2. Where there is disagreement between the disputing Parties as to whether a disputing Party has eliminated the non-conformity as determined in the report of the Arbitral Panel within the reasonable period of time as determined pursuant to this Article, the other disputing Party may refer the matter to the original Arbitral Panel.
3. The Arbitral Panel shall issue its report within 60 days from the date on which the matter referred to in paragraph 1 or 2 of this Article was submitted for its consideration. The report shall contain the determination of the Arbitral Panel and the reasons for its determination. When the Arbitral Panel considers that it cannot issue its report within this period of time, it shall inform the disputing Parties in writing of the reasons for the delay together with an estimate of the period within which it will issue its report. Any delay shall not exceed a further period of 30 days unless the disputing Parties agree otherwise.
4. The disputing Parties may at all times continue to seek mutually satisfactory resolution on the implementation of the final report of the Arbitral Panel.

ARTICLE 14.15

Compensation and Suspension of Benefits

1. If a disputing Party does not comply with the rulings of the Arbitral Panel within the reasonable period of time determined in accordance with Article 14.14 of this Agreement, or notifies the other disputing Party that it does not intend to do so, and/or if the original Arbitral Panel determines that a disputing Party did not comply with the rulings of the Arbitral Panel in accordance with Article 14.14 of this Agreement, such disputing Party shall, if so requested by the other disputing Party, enter into consultations with a view to agreeing on a mutually acceptable compensation. If no such agreement has been reached within 20 days from the receipt of the request, the other disputing Party shall be entitled to suspend the application of benefits granted under this Agreement in respect of the responding Party but only equivalent to those affected by the measure that the Arbitral Panel has found not to be in conformity with this Agreement.

2. In considering what benefits to suspend, a disputing Party should first seek to suspend benefits in the same sector or sectors as that affected by the measure that the Arbitral Panel has found not to be in conformity with this Agreement. If such disputing Party considers that it is not practicable or effective to suspend benefits in the same sector or sectors it may suspend benefits in other sectors.
3. A disputing Party shall notify the other disputing Party of the benefits which it intends to suspend, the grounds for such suspension and when suspension will commence at least 30 days before the date on which the suspension is due to take effect. Within 15 days from the receipt of such notification, the other disputing Party may request the original Arbitral Panel to rule on whether the benefits which a disputing Party intends to suspend are equivalent to those affected by the measure found not to be in conformity with this Agreement, and whether the proposed suspension is in accordance with paragraphs 1 and 2 of this Article. The rulings of the Arbitral Panel shall be given within 45 days from the receipt of such request and shall be final and binding to the disputing Parties. Benefits shall not be suspended until the Arbitral Panel has issued its rulings.
4. Compensation and/or suspension of benefits shall be temporary and shall not be preferred to full elimination of the non-conformity as determined in the final report of the Arbitral Panel. Compensation and/or suspension shall only be applied by a disputing Party until the measure found not to be in conformity with this Agreement has been withdrawn or amended so as to bring it into conformity with this Agreement, or until the disputing Parties have resolved the dispute otherwise.
5. Upon request of a disputing Party, the original Arbitral Panel shall rule on the conformity with the final report of any implementing measure adopted after the suspension of benefits and, in light of such rulings, whether the suspension of benefits should be terminated or modified. The rulings of the Arbitral Panel shall be made within 30 days from the date of the receipt of such request.

ARTICLE 14.16

Expenses

 - a) each disputing Party shall bear the costs of its appointed arbitrator, its own expenses and legal costs; and
 - b) the costs of the chair of the Arbitral Panel and other expenses associated with the conduct of its proceedings shall be borne in equal parts by the disputing Parties.
2. Upon request of a disputing Party, the Arbitral Panel may decide on the expenses referred to in subparagraph b) of paragraph 1 of this Article taking into account the particular circumstances of the case.

ARTICLE 14.17

Language
